

My husband & I stayed @ your inn
last fall w/ our church on a marriage
retreat. (Upper Valley Community Church, Pigea.)
We were very impressed w/ your friendly
and accomodating staff and the
cleanliness of the inn. We stayed a 2nd
night and very glad we did.

We were fortunate enough to get the
last room on the main floor, which
we were told is your "home away from
home" when you stay there. Thank you
for sharing it with us. ☺

We own an ice cream shop where we
make over 70 flavors. We also have →

homemade soups & sandwiches. I
am enclosing a business card and we
would be delighted to treat you to some
great ice cream. ☺

Thank you for such a great
experience.
